

Dear Colleagues,

It is a great pleasure to invite you to a scientific seminar "*International Days of Materials Science 2013*" (IDMS 2013) which will be held in Hotel Zlata stika Pardubice from **Tuesday 24<sup>th</sup> to Wednesday 25<sup>th</sup> September 2013**.

The seminar is mainly intended for doctoral and post-doctoral students/participants; nevertheless, also younger students as well as experienced researchers are most welcome to present their scientific results. The aim of the conference is to provide framework for presentation and discussion of ideas and latest information in the developing and inspiring areas of solid state chemistry and material science.

**Participation at the seminar (including conference materials and refreshment) is free!** Please note that the number of participants is limited.

Further information (registration form and abstract form) can be found in the attachment. In case of your interest, please send completed forms to

[Veronika.Podzemna@upce.cz](mailto:Veronika.Podzemna@upce.cz) till August **15<sup>th</sup> 2013**.

All members of the IDMS organizing committee look forward to meeting you in Pardubice.

On behalf of the organization team,

Yours faithfully

Prof. Tomas Wagner
